

Allentown's Champion Tree Program Tree Nomination Form

Tree Species Common Name: _____

Tree Species Scientific Name: _____

Location of the tree: _____

Is it on public or private land: _____

Approximate height and Circumference of the tree: _____

Circumference: Using a tape measure, measure the circumference of the trunk in inches at 4 1/2 feet off the ground.

Is there a "story" of the tree: its importance to you and/or community and/or Historical information about the tree:

If possible, please include photographs of the tree. They can be attached to the email submittal.

Nominator's Name: _____

Address: _____

Phone/Email: _____

(If different)

Owner's Name: _____

Address: _____

Phone/Email: _____

As owner/manager of the property, I give permission to Allentown Shade Tree or its designee to measure and photograph the above tree to validate for consideration. If selected I grant permission for images of the tree to be used.

Owner's Signature

Date

The only required fields are the tree location and the Nominator's contact information.

Criteria for Submission:

- A specimen tree with excellent form and vigor, and a well-balanced crown. Trunk is sound and solid. No apparent pest problems. Normal leaf size and color.
- Can be on public or private property.
- No invasive tree species will be classified as a Champion tree.
- Champion trees cannot be dead or dying or overtaken by diseases, pests or vines.
- Hazard trees cannot be Champion trees; this includes trees that pose distinct threats to people or property.
